

Lesson 4: How have shops in the area changed? What does that tell us about changing shopping habits?

Activity 2:

Give children information about a shop.

Can they identify the address, what type of shop it was and what it sold?

Write the type of shop on the roof and the address underneath and draw what they sold in the shop window.

We will stick the shops to a large map of the area.

Address	Type of shop
1 Jubilee Terrace	Fish and chip shop
61 Lincoln Street	Grocery: sweets, chocolates, cigarettes, tinned goods, groceries, butter
1 Lincoln Street	Boot repairer
